## Troy & Paula Haag - Migrate

Troy and Paula Haag are an acoustic, husband and wife singer songwriter duo based in North Western Virginia. Their music is folk steeped in Americana, Country, and Alternative Pop. Contemporary, yet fully informed by the American and English folk rock heyday of the 1960s and 1970s, their sound is characterized by delicate yet driving acoustic guitar, propulsive percussion and intimate vocal harmonies. Their Sophomore album *Migrate* was released Spring 2015.
